

Call for Papers
8th Asia-Pacific Symposium on Emotions in Worklife
Melbourne Business School, Melbourne, Australia
Friday 29th November 2013
(Closing date for submission is 1st September, 2013)

The Asia Pacific Symposium on Emotions in Worklife is now an annual event organised as part of the ANZAM Emotion and Cognition Special Interest Group (EAC SIG) development <http://www.anzam.org/research/special-interest-groups-sigs/emotion-cognition/>.

This year, the 8th symposium is being hosted and sponsored by Melbourne Business School, Melbourne, Australia. The symposium is a day-long, semi-formal meeting of scholars interested in the study of emotions in work settings and will be held on Friday the 29th of November 2013 from 9am to 5pm. The symposium is adjacent to the ANZAM conference which will be held in Hobart on the 4th to the 6th December, 2013.

The format of the symposium includes a keynote address by Professor Karen Jehn, an internationally renowned scholar, and will feature paper presentations and roundtable sessions to discuss poster presentations. There is no registration fee for attending the symposium, with lunch, morning tea and afternoon tea provided to all participants. The conference will conclude with an optional dinner which can be paid for on the day of the event.

Submission Guidelines

Three types of submissions are sought: Oral presentations, poster sessions, and group proposals.

Submissions for the roundtable (Poster) sessions require an abstract of between 200 and 400 words describing your project/paper, as well as the paper title, author(s), affiliations, and contact details. Posters will be discussed briefly in moderated roundtable sessions following poster viewing. In keeping with the roundtable format, we welcome papers describing work in progress or developmental papers. A small number will be selected for oral presentation.

Group proposals are welcome. Examples include an innovative panel, hot topic discussion session, or short symposium. Group proposals should provide a 400 to 800 word outline of the

topic including a short description of each member's contribution. The key criterion in evaluating group proposal is that they provide an efficient way to use our limited time in a way that provides the most benefit to participants in advancing their research.

Submit your abstract or proposal as an MS Word file (.doc or .docx), with double-spaced text and 12pt TR font to Dr. Carol Gill and Ms. Elise Bausseron at APSEW8@mbs.edu. Submissions close COB on **Sunday, 1st September, 2013**.

Please also ensure that you **insert "APSEW Submission" in the email subject heading**.

All accepted abstracts/proposals will be published in the conference proceedings.
